ASU Prep: Hybrid Model
WHY HYBRID

Hybrid learning is helping to change the way we think of education and is removing many of the barriers that have traditionally existed. Not only can it provide students with a greater degree of flexibility and freedom to choose how to learn, but it can also expand access to education.

WHAT FAMILIES ARE SAYING:
91% of parents agree that it’s important for their children to have multiple school options.
70% would consider a hybrid model that blends online and in-person learning.

Source: Lesson Learned: 70% of Parents Want Post-Pandemic Online School Option
Hybrid Model

Hybrid will be offered in grades 3-6 and grades 9-12 at our Poly, Phoenix and Casa Grande campuses in the 2021-2022 School Year

Onsite - 2 days
Students come to the school and learn with peers. Led by the hybrid teacher.

Offsite - 2 days
Students learn from home. Supported by the Learning Facilitator, Elementary students will have an all class morning meeting.

Flex Fridays
Virtual Field trips
In Person Field Trips
Genius Hour/Maker Space Time
Students may come to the site some Fridays to work in teams or present/perform work
School Support

Student

Has a flexible, personalized schedule. (Created by the teacher with student input in 3-6 and by the student with teacher input in 9-12)

Teacher

The teacher leads instruction on in person days and directs the Learning Facilitator to support students on at home days. The teacher guides students in working on their personalized path.

Learning Facilitator

A coach for students, checks in with and supports students on at home days and also supports small group/personalized work in the classroom.
Hybrid Staff

Program Coordination

2 Hybrid Coaches will support the Hybrid Teachers and Learning Facilitators
- 3-6 Lead
- 9-12 Lead

NOTE

Teachers will teach either in person OR hybrid, so students who choose the in person option and students who choose the hybrid option will have different teachers
ASU Prep: How We Support Families With Model Selection
PARENTS AND STUDENTS

Summer Meeting with advisor to preview the hybrid model and get to know student

Hybrid Contract is signed by parent, student and hybrid teacher/program lead

Site staff help families choose the best model for their child
Supporting Families

Is Hybrid Right For My Child?

Start by talking with your child and their teacher

In general, hybrid will work well for students who are:

- able to complete independent work on their own
- looking for more flexibility in their schedule
- interested in having more control over their daily schedule

Model Changes

Students can change models at semester, provided there are seats available in the other model

If students are not successful in any model, the school team may recommend a different model
ASU Prep: Compliance with AZ Legislation
This model is compliant with the instructional minutes requirements of HB2862
